Gresham & Associates Solutions Guide

“Providing insurance agents exceptional wholesale brokerage and underwriting solutions since 1979”

Gresham

Gresham & Associates has provided insurance agents the very best in wholesale insurance solutions for over 30 years. Our greatest asset is our people. Experienced leaders, brokers, underwriters and team members provide our partners exceptional service .

Independence

Many insurance wholesalers are really just arms or subsidiaries of your competitors. Gresham is our nations 9th largest insurance wholesale operation and 100% independently owned.

Trust

Gresham & Associates provides our agents admitted and non-admitted solutions, and only represents carriers rated A- or better by A.M. Best
